

Parental Consent Form for Administration of Medicine

This form must be completed **in full** and **signed**. The completion of this form does not act as a guarantee that the company will administer medication and the school company may refuse to administer medication at any time. Any medication to be administered **must have been administered previously by the parent** to minimise the risk of adverse or allergic reaction to any new medication. All medication must be stored its original container and be clearly labelled with the child's name. Please refer to the Administration of Medication policy for more information.
